

MITROPA RALLY CUP 2020

Dear Mitropa Cup Friends!

First of all the health of you is most important to us.

Due to the situation of the Corona Virus we would like to inform you that Rallye Opatija will be postponed to 20.-22. November 2020 also Rebenland seems to move to november but we don't have a confirmation so far. Concerning Lavanttal rallye it seems that this event will also be postponed, but we don't have further information so far.

The price giving should have been on the Opatija date therefore we also need a new date for this.

Please keep in touch with our Mitropa Rally Cup homepage, if we have further we will inform you there.

We are still working on a season with all rallies taking place.

Mitropa Rally Cup organization committee
